MIS 3353	3	
MIS 3373	3	
MIS elective or ACCT 3363	3	

No single course may be used to satisfy a major requirement and a minor requirement. A course may be used, however, to satisfy both a major support requirement and a minor requirement.

The requirements for a minor must be completed concurrently with the major degree requirements. No minor may be added by completing courses after receiving the bachelor's degree. If declared and successfully completed, the student's transcript will indicate the minor at the time the bachelor's degree is posted.

*All courses with an MIS designator, except the required basic business MIS course will be calculated in the minor GPA.
